**SPANISH
INHERITANCE TAX
TIME BOMB!**

**Is yours
Still Ticking?**

**Spanish Inheritance tax is
very different than in the UK**

For example, did you know that your spouse may not be exempt? They may have to pay Inheritance Tax on your share of the property. Also, your children may have to pay even more tax to inherit the property that you love and worked so hard to own. If they can't pay, they may never own the property and could lose it completely!

**That's not how you imagined
things for your loved ones, is it?
We have the answer to your
Inheritance Tax problems.**

Wincham Consultants Limited, a UK registered company with offices in Spain & the United Kingdom, have developed a simple, cost effective solution to resolve these serious issues. Act now while this is on your mind and a solution is at hand! Within minutes we'll give you an illustration of your IHT liability and a simple legal solution to the problem.... No cost, no obligation... Just a safe, intelligent method to protect your legacy.
